Sewer Services - Private and Public Property

If the cause and location of a sewer service blockage can be determined through a sewer service video inspection, charges may be adjusted accordingly.

Property owner is responsible for charges related to Building Sewer maintenance crossing both private and public property.

Residential - includes buildings which contain a maximum of three (3) residential units and does not include any other uses such as commercial/industrial/institutional or any combination thereof.

Property owners subject to one clearing charge per 12 month period for rodding services only. 12 month policy does not apply if a clean out, satisfactory to the City Engineer, does not exist on the service and an electric snake is used to clear a blockage.

Building Sewer Clearing and Other Services

The City cannot provide a copy of any video taken of a property owner's sewer service.

Tree roots, one charge per 12 month period for rodding only. 12 month policy does not apply when clean out does not exist and an electric snake is used.

Building Sewer Replacement

Private Property

All work on Private Property to be completed by private contractors.

Public Property (Road Allowance)

New Building Sewer Connections or Replacements (Storm or Sanitary)

Charges for new building sewers apply to either storm or sanitary

The policy of Council and the charges in this schedule are based on a main sewer being available somewhere within the frontage or flankage of the property. Subject to approval from the City Engineer, other situations may be charged based on actual cost. The fee will be based on an estimate prepared by the City Engineer, will reflect actual site conditions, may include the extension of existing main sewer and must be pre-paid.

Charges for new building sewers greater than 150mm diameter in size will be based on actual cost. The fee will be based on an estimate prepared by the City Engineer, will reflect actual site conditions, will include the cost of a manhole (where applicable) and must be pre-paid. Should the actual cost be greater than the estimate, the property owner shall be invoiced for any additional costs incurred. Should the actual cost be less than the estimate, the property owner will be refunded the difference.

Rates are based on open cut installations in material which can be removed by equipment normally used by City Forces for the work. Installations requiring rock excavation, or any form of boring or tunneling will be charged at actual cost.

Non-Resident Fees And Charges

The price of lots and single graves and all other fees and charges herein set forth shall be those charged to bona fide residents of the City of St. Catharines.

The non-resident surcharge does not apply to mausoleum and columbarium service.

In the case of all persons not resident in the City of St. Catharines, all such prices for lots, care and maintenance and all forms of interment will be maintenance increased by 20% of the total selling price.

Note: If the owner of a lot was a resident at the time of purchase but since then has moved out of the City, the rate(fee) charged to inter this individual will only be the non-resident rate if they have been out of the City of St. Catharines for more than 10 years.
